

SPECIES	Scientific Name	Month												First Date	No of Weeks	Previous Years	Status	NOTES
		January	February	March	April	May	June	July	August	September	October	November	December					
<b>Mammals</b>																		
Common Shrew	<i>Sorex araneus (N)</i>															2021	Resident	
European Rabbit	<i>Oryctolagus cuniculus (I)</i>															2021	Resident	
Grey Squirrel	<i>Sciurus carolinensis (I)</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Bank Vole	<i>Microtus arvalis (N)</i>															2021	Resident	
Field Vole	<i>Microtus agrestis (N)</i>															2021		
Wood Mouse	<i>Apodemus sylvaticus (N)</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Brown Rat	<i>Rattus Norvegicus (I)</i>															2021		
Red Fox	<i>Vulpes vulpes (N)</i>															2021	Resident	
Badger	<i>Meles meles (N)</i>															2021		
Roe Deer	<i>Capreolus capreolus (N)</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Reeves' Muntjac Deer	<i>Muntiacus reevesi (I)</i>															2021	Resident?	
Noctule bat	<i>Nyctalus noctula</i>															2021	Resident	
Soprano Pipistrelle bat	<i>Pipistrellus pygmaeus</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Common Pipistrelle bat	<i>Pipistrellus pipistrellus</i>															2021	Resident	
Brown long-eared bat	<i>Plecotus auritus</i>																Resident	New 2022 Steve Lockett recorded on MC and a roost at Gardener's Cottage
<b>Birds</b>																		
Canada Goose	<i>Branta canadensis</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Fly Over	
Mandarin Duck	<i>Aix galericulata</i>															2021	All Year Scarce Visitor	
Mallard	<i>Anas platyrhynchos</i>															2021	All Year Visitor	
Pheasant	<i>Phasianus colchicus</i>															2021	Resident	
Red-legged Partridge	<i>Alectoris rufa</i>															2021	All Year Visitor	
Swift	<i>Apus apus</i>															2021	Summer Visitor	
Cuckoo	<i>Cuculus canorus</i>															2021	Summer Visitor	
Stock Dove	<i>Columba oenas</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Woodpigeon	<i>Columba palumbus</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Collared Dove	<i>Streptopelia decaocto</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	All Year Visitor	
Black-headed Gull	<i>Chroicocephalus ridibundus</i>															2021	Fly Over	
Herring Gull	<i>Larus argentatus</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2020	Fly Over	
Cormorant	<i>Phalacrocorax carbo</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Fly Over	
Grey Heron	<i>Ardea cinerea</i>															2021	Fly Over	
Little Egret	<i>Egretta garzetta</i>															2021	Visitor	
Sparrowhawk	<i>Accipiter nisus</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Red Kite	<i>Milvus milvus</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Buzzard	<i>Buteo buteo</i>															2021	Resident	
Barn Owl	<i>Tyto alba</i>															2021	Possible extralimital	
Tawny Owl	<i>Strix aluco</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Great Spotted Woodpecker	<i>Dendrocopos major</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Green Woodpecker	<i>Picus viridis</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Kestrel	<i>Falco tinnunculus</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Ring-necked Parakeet	<i>Psittacula krameri</i>															2021	Visitor	
Jay	<i>Garrulus glandarius</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Magpie	<i>Pica pica</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Jackdaw	<i>Coloeus monedula</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Carrion Crow	<i>Corvus corone</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	All Year Visitor	
Raven	<i>Corvus corax</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Fly Over	
Coal Tit	<i>Parus ater</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Marsh Tit	<i>Poecile palustris</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Visitor	
Blue Tit	<i>Cyanistes caeruleus</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Great Tit	<i>Parus major</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Swallow	<i>Hirundo rustica</i>															2021	Visitor	
House Martin	<i>Delichon urbicum</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Visitor	
Long-tailed Tit	<i>Aegithalos caudatus</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Visitor	
Chiffchaff	<i>Phylloscopus collybita</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Summer Breeds	
Blackcap	<i>Sylvia atricapilla</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Summer Breeds	
Garden Warbler	<i>Sylvia borin</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2020	Summer Visitor	
Firecrest	<i>Regulus ignicapilla</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	First breeding 2020?	
Goldcrest	<i>Regulus regulus</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Wren	<i>Troglodytes troglodytes</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Nuthatch	<i>Sitta europaea</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Treecreeper	<i>Certhia familiaris</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	always present and usually fiendishly difficult to locate
Starling	<i>Sturnus vulgaris</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Song Thrush	<i>Turdus philomelos</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Mistle Thrush	<i>Turdus viscivorus</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Redwing	<i>Turdus iliacus</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Winter Visitor	
Blackbird	<i>Turdus merula</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Fieldfare	<i>Turdus pilaris</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Winter Visitor	flyover Steve Lockett early Dec
Spotted Flycatcher	<i>Muscicapa striata</i>															2020	Visitor/has bred	
Robin	<i>Erithacus rubecula</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
House Sparrow	<i>Passer domesticus</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Duncock	<i>Prunella modularis</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Grey Wagtail	<i>Motacilla cinerea</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Pied Wagtail	<i>Motacilla alba</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Chaffinch	<i>Fringilla coelebs</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Bullfinch	<i>Pyrrhula pyrrhula</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Greenfinch	<i>Chloris chloris</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident?	
Goldfinch	<i>Carduelis carduelis</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Resident	
Siskin	<i>Spinus spinus</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2021	Winter/has bred	
Yellowhammer	<i>Emberiza citrinella</i>	●	●	●	●	●	●	●	●	●	●	●	●	●	●	2020	Visitor	
<b>Reptiles/Amphibians</b>																		
Smooth Newt	<i>Lissotriton vulgaris</i>															2021	Protected WCA 1981	aka Common Newt
Great Crested Newt	<i>Triturus cristatus</i>															2021	Widespread	
Common Frog	<i>Rana temporaria</i>															2021	Protected WCA 1981	
Common Toad	<i>Bufo bufo</i>															2021	Near threatened	Bealewood Pond spring, woodland edge in summer and autumn
<b>Orb-weaving Spiders</b>																		
Common Garden Spider	<i>Araneus diadematus</i>															2021	Common	
Wasp Spider	<i>Argiope bruennichi</i>															2021	New to S England	
Crick Bat Spider	<i>Mangora acalypha</i>																	New BWRG 2022 photo
<b>Dragonflies/Damselflies</b>																		
Banded Demoiselle	<i>Calopteryx splendens</i>															2021	Common	
Azure Damselfly	<i>Coenagrion puella</i>																	new 2022 photo Alan Cox
Southern Hawker	<i>Aeshna cyanea</i>															2021	Common	
Hairy Dragonfly	<i>Brachytron pratense</i>															2021	Common	
Broad-bodied Chaser	<i>Libellula depressa</i>															2021	Common	
Common Darter	<i>Sympetrum striolatum</i>															2021	Common	
<b>Grasshoppers/Crickets</b>																		
Meadow Grasshopper	<i>Chorthippus parallelus</i>															2021	Common	
Field Grasshopper	<i>Chorthippus brunneus</i>															2021	Common	
Lesser Marsh Grasshopper	<i>Chorthippus albomarginatus</i>															2020		

SPECIES	Scientific Name	Month												First Date	No of Weeks	Previous Years	Status	NOTES			
		January	February	March	April	May	June	July	August	September	October	November	December								
Roesel's Bush-cricket	<i>Metroptera roeselii</i>																2021	Common			
Speckled Bush-cricket	<i>Leptophyes punctatissima</i>																	2021	Common		
<b>Beetles (Coleoptera)</b>																					
Seven-spot Ladybird	<i>Coccinella septempunctata</i>																		widespread	2022 photo	
Common red soldier beetle	<i>Rhagonycha fulva</i>																	2021	widespread		
Thick-legged flower beetle	<i>Rhagonycha fulva</i>																		widespread	New BWRG 2022 photo	
<b>Bees/Wasps/Sawflies</b>																					
Digger Wasp sp.??	<i>Ectemnius continuus?</i>																	2021			
Ashy Mining Bee	<i>Andrena cineraria</i>																	2021	Common		
Early Mining Bee	<i>Andrena haemorrhoa</i>																	2021	Common		
Grey-Patched Mining Bee	<i>Andrena nitida</i>																	2021			
Wilke's Mining Bee	<i>Andrena wilkella</i>																	2021			
White-Tailed Bumblebee	<i>Bombus lucorum</i>																	2021	Common		
Buff-Tailed Bumblebee	<i>Bombus terrestris</i>																	2021	Common		
Garden Bumblebee	<i>Bombus hortorum</i>																	2021	Common		
Red-Tailed Bumblebee	<i>Bombus lapidarius</i>																	2021	Common		
Tree Bumblebee	<i>Bombus hypnorum</i>																	2021	New UK		
Common Carder Bee	<i>Bombus pascuorum</i>																	2021	Common		
Western Honey Bee	<i>Apis mellifera</i>																	2021	Common		
<b>Butterflies</b>																					
Small Skipper	<i>Thymelicus sylvestris</i>																	17-23 Jun	2021	Native	Transit walks not possible to separate from Essex Skipper - both present
Essex skipper	<i>Thymelicus lineola</i>																	1-7 Jul	2021	BAP Low	Transit walks not possible to separate from Small Skipper - both present
Large skipper	<i>Ochlodes sylvanus</i>																	3-9 Jun	2021	BAP Low	
Clouded Yellow	<i>Colias croceus</i>																	5-11 Aug	2020	Migrant	
Common Brimstone	<i>Gonepteryx rhamni</i>																	8-14 Apr	2021	BAP Low	
Large White	<i>Pieris brassicae</i>																	6-12 May	2021	BAP Low	
Small White	<i>Pieris rapae</i>																	15-21 Apr	2021	BAP Low	
Green-veined White	<i>Pieris napi</i>																	29-5 May	2021	BAP Low	
Orange Tip	<i>Anthocharis cardamines britanna</i>																	15-21 Apr	2021	BAP Low	
Green Hairstreak	<i>Callophrys rubi</i>																	27-2 Jun	2021	BAP Concern	
Purple Hairstreak	<i>Neozephyrus quercus</i>																	1-7 Jul	2021	BAP Low	
Small Copper	<i>Lycaena phlaeas eleus</i>																		2021	BAP Low	
Long-tailed Blue	<i>Lampides boeticus</i>																		2020	Vagrant/Accidental	
Brown Argus	<i>Aricia agestis</i>																	8-14 Jul	2021	BAP Low	
Common Blue	<i>Polyommatus icarus icarus</i>																	17-23 Jun	2021	BAP Low	
Holly Blue	<i>Celastrina argiolus britanna</i>																	29-5 May	2021	BAP Low	
Red Admiral	<i>Vanessa atalanta</i>																		2021	Migrant	
Painted Lady	<i>Vanessa cardui</i>																	1-7 Jul	2021	Migrant	First record for BWRG
Small Tortoiseshell	<i>Aglais urticae</i>																	13-19 May	2021	Near Threatened	
Peacock	<i>Inachis io</i>																	8-14 Jul	2021	BAP Low	
Comma	<i>Polygonia c-album</i>																	20-26 May	2021	BAP Low	
Silver-washed Fritillary	<i>Argynnis paphia</i>																	1-7 Jul	2021	BAP Low	
Speckled Wood	<i>Pararge aegeria</i>																	15-21 Apr	2021	BAP Low	
Marbled White	<i>Melanargia galathea serena</i>																	3-9 Jun	2021	BAP Low	
Gatekeeper	<i>Pyrionia tithonus</i>																	1-7 Jul	2021	BAP Low	
Meadow Brown	<i>Maniola jurtina</i>																	27-2 Jun	2021	BAP Low	
Ringlet	<i>Aphantopus hyperantus</i>																	17-23 Jun	2021	BAP Low	
Small Heath	<i>Coenonympha tullia</i>																		2021	Vulnerable	Photo June 2022 Alex Potts
<b>Moths</b>																					
Common Swift	<i>Hepialus lupulinus</i>																		2020	Common	
Narrow-bordered Five-spot Burnet	<i>Zygaena lonicerae</i>																		2020	Common	Photo May 28th on Red Clover; month earlier than Waring & Townsend
Speckled Fanner	<i>Glyphipterix thrasonella</i>																				First record June 2022 photo
Long-horned Flat-body	<i>Carcina quercana</i>																		2020		
Brindled Flat-body	<i>Agonopterix arenella</i>																		2020		
Knapweed Conch	<i>Agapeta zoegana</i>																		2020		
Golden Leaf Roller	<i>Acleris holmiaria</i>																		2020		
Garden Rose Tortrix	<i>Acleris variegana</i>																		2021		
Bright Bell	<i>Eucosma hohenwartiana</i>																		2020		
Inlaid Grass-veneer	<i>Crambus pascuella</i>																		2020	Common	
Straw Grass-veneer	<i>Agriphila straminea</i>																		2020	Common	
Common Grass-veneer	<i>Agriphila tristella</i>																		2020	Common	
Pyrausta Purpuralis	<i>Pyrausta purpuralis</i>																		2020	Common	
Rush Veneer	<i>Nomophila noctuella</i>																		2021	Migrant	
Mother of Pearl	<i>Pleuropteryx ruralis</i>																		2020	Common	
Box-tree moth	<i>Cydalima perspectalis</i>																			Alien	First 2022 Steve Lockett. This Asian moth was first detected at Weybridge Surrey 05/09/2008 almost certainly originating from a plant import, spreading very rapidly, pest species of Box.
White Plume Moth	<i>Pterophorus pentadactyla</i>																		2020		
Lackey	<i>Malacosoma neustria</i>																		2020	Vulnerable	previously Common   -90 % decline in 35 years
Oak Eggar	<i>Lasiocampa quercus</i>																			least concern	First 2022 Steve Lockett
Oak Hook-tip	<i>Watsonella binaria</i>																		2020	Vulnerable	previously Common   -81 % decline in 35 years
Chinese Character	<i>Cilix glaucata</i>																		2020	Common	
Peach Blossom	<i>Thyatira batis</i>																		2020	Common	
Mocha	<i>Cyclophora annularia</i>																		2020	NB	
Maiden's Blush	<i>Cyclophora punctana</i>																		2020	Local	
Blood-vein	<i>Timandra comae</i>																		2020	Vulnerable	previously Common   -79 % decline in 35 years   photo June 2022
Cream Wave	<i>Scopula florelactata</i>																			Local	First June 2022 Alex Potts photo   Least Concern
Riband Wave	<i>Idaea aversata</i>																		2020	Common	
Red-green Carpet	<i>Chloroclysta siterata</i>																		2021	Common	
Common Marbled Carpet	<i>Chloroclysta truncata</i>																		2021	Na	
Pine Carpet	<i>Thera firmata</i>																		2021	Common	
Spruce Carpet	<i>Thera britannica</i>																		2021	Common	
Cypress Carpet	<i>Thera cupressata</i>																		2021	Local	
Sharp-angled Carpet	<i>Euphyia unangulata</i>																		2020	Local	
November Moth	<i>Epirrita dilutata</i>																		2021	Common	
V-Pug	<i>Chloroclystis v-ata</i>																		2020	Common	
Lesser treble-bar	<i>Aplocera efformata</i>																		2020	Common	
Clouded Border	<i>Lomasipilis marginata</i>																		2020	Common	
Scorched Carpet	<i>Ligdia adustata</i>																			least concern	First 2022 Steve Lockett
Tawny-barred Angle	<i>Macaria liturata</i>																		2020	Common	
Brown Silver-line	<i>Petrophora chlorosata</i>																		2020	Common	
Brimstone moth	<i>Opisthograptis luteolata</i>																		2021	Common	
August Thorn	<i>Ennomos quercinaria</i>																		2020	Vulnerable	Local   -81 % decline in 35 years
Dusky Thorn	<i>Ennomos fuscantaria</i>																		2021	Endangered	98% loss in 35 years   Previously Common but Seldom Seen!
September Thorn	<i>Ennomos erosaria</i>																		2020	Endangered	91% loss in 35 years   Previously Common
Feathered Thorn	<i>Colotois pennaria</i>																		2021	Common	Steve Lockett 2022

SPECIES	Scientific Name	January	February	March	April	May	June	July	August	September	October	November	December	First Date	No of Weeks	Previous Years	Status	NOTES
Feathered Thorn	<i>Colotois pennaria</i>																least concern	First 2022 Steve Lockett
Oak Beauty	<i>Biston strataria</i>																least concern	First 2022 Steve Lockett
Spring Usher	<i>Agriopis leucophaearia</i>																least concern	First 2022 Steve Lockett
Scarce Umber	<i>Agriopis aurantiaria</i>																least concern	First 2022 Steve Lockett
Willow Beauty	<i>Peribatodes rhomboidaria</i>															2021	Common	
Common Wave	<i>Cabera exanthemata</i>															2020	Common	
Light Emerald	<i>Campaea margaritata</i>															2021	Common	
Pine Hawk-Moth	<i>Hyloicus pinastri</i>															2020	Local	Steve Lockett 2022
Pine Hawk-moth	<i>Hyloicus pinastri</i>																least concern	First 2022 Steve Lockett
Great Prominent	<i>Peridea anceps</i>																least concern	First 2022 Steve Lockett
Swallow Prominent	<i>Pheosia tremula</i>															2020	Common	
Coxcomb Prominent	<i>Ptilodon capucina</i>																least concern	First 2022 Steve Lockett
Pale Tussock	<i>Calliteara pudibunda</i>																least concern	First 2022 Steve Lockett
Black Arches	<i>Lymantria monacha</i>															2020	Local	
Rosy Footman	<i>Miltochrista miniata</i>															2020	Local	
Dingy Footman	<i>Eilema griscolia</i>															2020	Common	
White Ermine	<i>Spilosoma lubricipeda</i>																0	First 2022 Steve Lockett
Garden Dart	<i>Euxoa nigricans</i>															2021	Endangered	97% loss in 35 years   Previously Common
Shuttle-Shaped Dart	<i>Agrotis puta</i>															2020	Common	
Flame Shoulder	<i>Ochropleura plecta</i>															2020	Common	
Large Yellow Underwing	<i>Noctua pronuba</i>															2021	Common	
Lesser Broad-bordered Yellow Underwing	<i>Noctua janthe</i>															2020	Common	
Small Square-Spot	<i>Diarsia rubi</i>															2021	Vulnerable	previously Common   -85 % decline in 35 years
Setaceous Hebrew Character	<i>Xestia c-nigrum</i>															2021	Common	
Six-striped Rustic	<i>Xestia sexstrigata</i>															2020	Common	
Square-Spot Rustic	<i>Xestia xanthographa</i>															2020	Common	
Small Quaker	<i>Orthosia cruda</i>																least concern	First 2022 Steve Lockett
Hebrew Character	<i>Orthosia gothica</i>																least concern	First 2022 Steve Lockett
White-Point	<i>Mythimna albipuncta</i>															2020	Migrant	
Common Wainscot	<i>Mythimna pallens</i>															2020	Common	
Deep-brown Dart	<i>Aporophya luteola</i>															2021	Vulnerable	previously Common   -90 % decline in 35 years
Green-brindled Crescent	<i>Allophyes oxyacanthae</i>															2021	Vulnerable	previously Common   -79 % decline in 35 years
Merveille du Jour	<i>Dichonia aprilina</i>															2021	Common	
Brindled Green	<i>Dryobotodes eremita</i>															2021	Common	
Satellite	<i>Eupsilia transversa</i>															2021	Common	
Dark Chestnut	<i>Conistra ligula</i>															2021	Common	
Red-line Quaker	<i>Agrochola lota</i>															2021	Common	
Brown-spot Pinion	<i>Agrochola litura</i>															2021	Vulnerable	previously Common   -76 % decline in 35 years
Beaded Chestnut	<i>Agrochola lychnidis</i>															2021	Vulnerable	previously Common   -90 % decline in 35 years
Lunar Underwing	<i>Omphaloscelis lunosa</i>															2021	Common	
Barred Sallow	<i>Xanthia aurago</i>															2021	Common	
Pink-barred Sallow	<i>Xanthia togata</i>															2021	Common	
Sallow	<i>Xanthia ictertia</i>															2021	Vulnerable	previously Common   -82 % decline in 35 years
Straw Underwing	<i>Thalpoophila matura</i>															2020	Common	
Angle Shades	<i>Phlogophora meticulosa</i>															2021	Common	
White-spotted Pinion	<i>Cosmia diffinis</i>																least concern	First 2022 Steve Lockett
Lesser Common Rustic	<i>Mesapamea didyma</i>															2020	Common	
Dusky Sallow	<i>Eremobia ochroleuca</i>															2020	Common	
Flounced Rustic	<i>Luperina testacea</i>															2020	Common	
Ear Moth	<i>Amphipoea oculata</i>															2020	Vulnerable	previously Common   -71 % decline in 35 years
Frosted Orange	<i>Gortyna flavago</i>															2021	Common	
Burnished Brass	<i>Diachrysa chrysis</i>															2020	Common	
Silver Y	<i>Autographa gamma</i>															2020	Migrant	
Red Underwing	<i>Catocala nupta</i>															2021	Common	
Burnet Companion	<i>Euclidia glyphica</i>																Common	First record for BWRG Jun 22 photo Alex Potts   Least Concern
Straw Dot	<i>Rivula sericealis</i>															2020	Common	
Snout	<i>Hypera proboscidalis</i>															2021	Common	
<b>Diptera</b>																		
Bumblebee Hoverfly	<i>Volucella bombylans</i>															2021		
<b>Neuroptera</b>																		
Common Green Lacewing	<i>Chrysoperla carnea</i>																	New June 2022 Photo Alan Cox there are 14 species of green lacewings, difficult to separate so presume the most abundant, predator on aphids, the gardeners friend.
<b>Trees</b>																		
Atlas Cedar	<i>Cedrus atlantica</i>																Rare	One specimen on Main Common
Scots Pine	<i>Pinus sylvestris</i>																Rare	New BWRG 2022 Colin Hall
Yew	<i>Taxus baccata</i>																Occasional	
Wild cherry	<i>Prunus avium</i>																Rare	Young trees possible planted. On Main Common
Cherry plum	<i>Prunus cerasifera</i>																Rare	New BWRG 2022 Colin Hall
Damson	<i>Prunus domestica var. institia</i>																Rare	On Lower Common
Blackthorn	<i>Prunus spinosa</i>																Frequent	
Wild Plum	<i>Prunus domestica</i>																Rare	MC
Laurel	<i>Prunus laurocerasus</i>																Occasional	New BWRG 2022 Colin Hall
Portuguese laurel	<i>Prunus lusitanica</i>																Rare	New BWRG 2022 Colin Hall
Snowy mespil	<i>Amelanchier lamarckii</i>																Rare	On Lower Common
Crab Apple	<i>Malus sylvestris</i>																Frequent	Possibly one veteran.
Wild Apple	<i>Malus sp</i>																Occasional Hybrids	Self-seeded from domestic varieties
Apple	<i>Malus sp.</i>																Rare	One specimen grafted(?) with 3 different var., Bluebell Triangle
Pear	<i>Pyrus communis</i>																Rare	MC
Rowan or Mountain Ash	<i>Sorbus aucuparia</i>																Rare	On Main Common
Cotoneaster	<i>Cotoneaster ?</i>																Rare	New BWRG 2022 Colin Hall
Hawthorn	<i>Crataegus monogyna</i>																Frequent	
English Elm	<i>Ulmus procera</i>																EN   Rare	Mainly dead or dying, small trees only surviving
Beech	<i>Fagus sylvatica</i>																Rare	New BWRG 2022 Colin Hall
Pendunculate Oak	<i>Quercus robur</i>																Frequent	Many veterans, some pollards.
Sweet Chestnut	<i>Castanea sativa</i>																Rare	Young trees on Main Common
Hazel	<i>Corylus avellana</i>																Frequent	
Hornbeam	<i>Carpinus betulus</i>																Rare	New BWRG 2022 Colin Hall
Silver Birch	<i>Betula pendula</i>																Occasional	On Main Common
White or Downy Birch	<i>Betula pubescens</i>																Occasional	MC
Sallow or Goat Willow	<i>Salix caprea</i>																Frequent	In dampest areas
Grey Willow	<i>Salix cinerea</i>																Occasional	New BWRG 2022 Colin Hall
Crack Willow	<i>Salix fragilis</i>																Rare	MC
Field Maple	<i>Acer campestre</i>																Occasional	On Lower Common
Norway Maple	<i>Acer platanoides</i>																Rare	MC
Sycamore	<i>Acer pseudoplatanus</i>																Rare	On Main Common
Horse Chestnut	<i>Aesculus hippocastanum</i>																Rare	Young trees. On Main Common
Holly	<i>Ilex aquifolium</i>																Frequent	
Elderberry	<i>Sambucus nigra</i>																Rare	

SPECIES	Scientific Name	Month												First Date	No of Weeks	Previous Years	Status	NOTES			
		January	February	March	April	May	June	July	August	September	October	November	December								
Wild Privet	<i>Ligustrum vulgare</i>																			Rare	New BWRG 2022 Colin Hall
Ash	<i>Fraxinus excelsior</i>																			Occasional	Occasional, die back observed in some
<b>Flowering Plants</b>																					
Common Spotted Orchid	<i>Dactylorhiza fuchsii</i>																	3	2021	LC native	in flower 3 weeks
Broad-leaved Helleborine	<i>Epipactis helleborine</i>																	4	2021	LC native	in flower 4 weeks
Montbretia	<i>Crocus x crocosmiflora</i>																	2	2021	garden escape	in flower 2 weeks
Yellow Iris	<i>Iris pseudacorus</i>																	2	2021	LC native	in flower 2 weeks
Field Rose	<i>Rosa arvensis</i>																	5	2021	LC native	in flower 5 weeks
Dog Rose	<i>Rosa canina</i>																	5	2021	LC native	in flower 5 weeks
Bramble	<i>Rubus fruticosus agg.</i>																	11	2021	LC native	in flower 11 weeks
Spanish Bluebell	<i>Hyacinthoides hispanica</i>																	7	2021	alien	In flower 7 weeks
Bluebell	<i>Hyacinthoides non-scripta</i>																	10	2021	LC native	in flower 10 weeks
Hybrid Bluebell	<i>Hyacinthoides x massartiana</i>																	6	2021	alien	Previously recorded as White and Pink Bluebell
Solomon's Seal	<i>Polygonatum multiflorum</i>																	6	2021	LC native	in flower 6 weeks
Star of Bethlehem	<i>Ornithogalum umbellatum</i>																		2019	alien	in flower 4 weeks
Snowdrop	<i>Galanthus nivalis</i>																	8	2021	garden escape	in flower 8 weeks
Black Bryony	<i>Tamus communis</i>																	1	2021	LC native	in flower 1 week
Lords and Ladies	<i>Arum maculatum</i>																	8	2021	LC native	in flower 8 weeks
Greater Celandine	<i>Chelidonium majus</i>																	8	2021	LC native	in flower 8 weeks
Common Fumitory	<i>Fumaria officinalis</i>																	0	2021	LC native	not registered 2022
Tormentil	<i>Potentilla erecta</i>																	33	2021	NT native	in flower 33 weeks
Creeping Cinquefoil	<i>Potentilla reptans</i>																	9	2021	LC native	in flower 9 weeks
Barren Strawberry	<i>Potentilla sterilis</i>																	15	2021	LC native	in flower 15 weeks
Opium Poppy	<i>Papaver somniferum</i>																	0	2021	garden escape	not registered 2022
Wood Anemone	<i>Anemone nemorosa</i>																	10	2021	LC native	in flower 10 weeks
Stinking Hellebore	<i>Helleborus foetidus</i>																	6	2021	LC native	in flower 6 weeks
Purple Hellebore	<i>Helleborus X hybridus</i>																	6	2021	garden escape	in flower 6 weeks
Hop	<i>Humulus lupulus</i>																	3	2021	LC native	in flower 3 weeks
Meadow Buttercup	<i>Ranunculus acris</i>																	13	2021	LC native	in flower 13 weeks
Lesser Celandine	<i>Ranunculus ficaria</i>																	22	2021	LC native	in flower 18 weeks
Lesser Spearwort	<i>Ranunculus flammula</i>																	11	2021	VU native	in flower 11 weeks
Creeping Buttercup	<i>Ranunculus repens</i>																	4	2021	LC native	in flower 4 weeks
Bulbous Buttercup	<i>Ranunculus bulbosus</i>																			NT native	New BWRG 2022 Dan Bosence
Bitter Vetch	<i>Lotyrus linifolius</i>																			NT native	New BWRG 2022 Dan Bosence
Grass Vetchling	<i>Lotyrus nissolia</i>																	3	2021	LC native	in flower 3 weeks
Meadow Vetchling	<i>Lotyrus pratensis</i>																	11	2021	LC native	in flower 11 weeks
Common Birdsfoot Trefoil	<i>Lotus corniculatus</i>																	14	2021	LC native	in flower 14 weeks
Greater Birdsfoot Trefoil	<i>Lotus pedunculatus</i>																	5	2021	LC native	in flower 5 weeks
Black Medick	<i>Medicago lupulina</i>																	3	2021	LC native	in flower 3 weeks
Red Clover	<i>Trifolium pratense</i>																	13	2021	LC native	in flower 13 weeks
White Clover	<i>Trifolium repens</i>																	3	2021	LC native	in flower 3 weeks
Tufted Vetch	<i>Vicia cracca</i>																	11	2021	LC native	in flower 11 weeks
Hairy Tare	<i>Vicia hirsuta</i>																	1	2021	LC native	in flower 1 week
Common Vetch	<i>Vicia sativa</i>																	6	2021	LC native	in flower 6 weeks
Bush Vetch	<i>Vicia sepium</i>																	31	2021	LC native	aka Crow Peas in flower 31 weeks
Meadowsweet	<i>Filipendula ulmaria</i>																	0	2021	LC native	not registered in 2022
Stinging Nettle	<i>Urtica dioica</i>																	15	2021	LC native	in flower 15 weeks
Dog's Mercury	<i>Mercurialis perennis</i>																	11	2021	LC native	in flower 11 weeks
Common Dog Violet	<i>Viola riviniana</i>																	11	2021	LC native	in flower 11 weeks
Slender St John's-wort	<i>Hypericum pulchrum</i>																	0	2021	LC native	not registered in 2022
Square-stalked St John's-wort	<i>Hypericum tetrapterum</i>																	2	2021	LC native	in flower 2 weeks
Cut-leaved Cranesbill	<i>Geranium dissectum</i>																	2	2021	alien	in flower 2 weeks
Dusky Crane's-bill	<i>Geranium phaeum</i>																	9	2021	alien	in flower 9 weeks
Herb Robert	<i>Geranium robertianum</i>																	13	2021	LC native	in flower 13 weeks
Wood Avens	<i>Geum urbanum</i>																	10	2021	LC native	in flower 10 weeks, 2 seasons
Enchanter's Nightshade	<i>Circaea lutetiana</i>																	6	2021	LC native	in flower 6 weeks
Rosebay Willowherb	<i>Chamerion angustifolium</i>																	6	2021	LC native	in flower 6 weeks
Great Willowherb	<i>Epilobium hirsutum</i>																	11	2021	LC native	in flower 11 weeks
Broad-leaved Willowherb	<i>Epilobium montanum</i>																	11	2021	LC native	in flower 11 weeks
Marsh Willowherb	<i>Epilobium palustre</i>																	10	2021	LC native	in flower 10 weeks
Agrimony	<i>Agrimonia eupatoria</i>																	15	2021	LC native	in flower 15 weeks
Garlic Mustard	<i>Alliaria petiolata</i>																	8	2021	LC native	in flower 8 weeks
Hairy Bittercress	<i>Cardamine hirsuta</i>																	9	2021	LC native	in flower 9 weeks
Cuckooflower	<i>Cardamine pratensis</i>																	7	2021	LC native	in flower 7 weeks
Honesty	<i>Lunaria annua</i>																	0	2021	garden escape	not registered in 2022
Moschatel or Townhall Clock	<i>Adoxa moschatellina</i>																	7	2021	LC native	in flower 7 weeks
Redshank	<i>Persicaria maculosa</i>																	0	2021	LC native	not registered in 2022. Previously recorded as Common Persica, Polygonum persicaria
Common Sorrel	<i>Rumex acetosa</i>																	8	2021	LC native	in flower 8 weeks
Sheeps Sorrel	<i>Rumex acetosella</i>																	8	2021	LC native	in flower 8 weeks
Broad-leaved Dock	<i>Rumex obtusifolius</i>																	3	2021	LC native	in flower 3 weeks
Wood Dock	<i>Rumex sanguineus</i>																	4	2021	LC native	Clustered/Wood-Sharp (Dock sp.)? in flower 4 weeks
Common Mouse-ear	<i>Cerastium fontanum</i>																	5	2021	LC native	in flower 5 weeks
Red Campion	<i>Silene dioica</i>																	8	2021	LC native	in flower 8 weeks
Ragged Robin	<i>Silene flos-cuculi</i>																	8	2021	NT native	in flower 8 weeks
Lesser Stitchwort	<i>Stellaria graminea</i>																	12	2021	LC native	in flower 12 weeks
Greater Stitchwort	<i>Stellaria holostea</i>																	10	2021	LC native	in flower 10 weeks
Cyclamen	<i>Cyclamen hederifolium</i>																	16	2021	alien	in flower 16 weeks
Creeping Jenny	<i>Lysimachia nummularia</i>																	0	2021	LC native	Not recorded in 2022
Yellow Loosestrife	<i>Lysimachia vulgaris</i>																	4	2021	LC native	in flower 4 weeks
Primrose	<i>Primula vulgaris</i>																	13	2021	LC native	in flower 13 weeks
Harebell	<i>Campanula rotundifolia</i>																	4	2021	NT native	in flower 14 weeks
Yarrow	<i>Achillea millefolium</i>																	17	2021	LC native	in flower 17 weeks, 2 phases of flowering
Sneezewort	<i>Achillea ptarmica</i>																	2	2021	LC native	in flower 2 weeks, 9 weeks in 2021
Daisy	<i>Bellis perennis</i>																	12	2021	LC native	in flower 12 weeks
Common Knapweed	<i>Centaurea nigra</i>																	15	2021	LC native	in flower 15 weeks
Creeping Thistle	<i>Cirsium arvense</i>																	10	2021	LC native	in flower 10 weeks
Marsh Thistle	<i>Cirsium palustre</i>																	20	2021	LC native	in flower 20 weeks
Spear Thistle	<i>Cirsium vulgare</i>																	6	2021	LC native	in flower 6 weeks
Hawkweed	<i>Hieracium agg.</i>																	3	2020	LC native	in flower 3 weeks, family Hieracea difficult to separate
Common Catsear	<i>Hypochaeris radicata</i>																	26	2021	LC native	in flower

SPECIES	Scientific Name	Month												First Date	No of Weeks	Previous Years	Status	NOTES		
		January	February	March	April	May	June	July	August	September	October	November	December							
Ground Elder	<i>Aegopodium podagraria</i>														6	2021	alien	in flower 6 weeks, 2 phases of flowering		
Wild Angelica	<i>Angelica sylvestris</i>														12	2021	LC native	in flower 12 weeks		
Cow Parsley	<i>Anthriscus sylvestris</i>														8	2021	LC native	in flower 8 weeks		
Rough Chevril	<i>Chaerophyllum temulum</i>														3	2020	LC native	in flower 3 weeks		
Pignut	<i>Conopodium majus</i>														16	2021	LC native	in flower 16 weeks, 3 phases of flowering		
Wild Strawberry	<i>Fragaria vesca</i>														5	2021	NT native	in flower 5 weeks		
Hogweed	<i>Heracleum sphondylium</i>														18	2021	LC native	in flower 18 weeks		
Hemlock Water-dropwort	<i>Oenanthe crocata</i>														4	2021	LC native	in flower 4 weeks		
Upright Hedge Parsley	<i>Torilis japonica</i>														6	2021	LC native	in flower 6 weeks		
Devil's-bit Scabious	<i>Succisa pratensis</i>														8	2021	NT native	in flower 8 weeks		
Japanese Honeysuckle	<i>Lonicera japonica</i>														3	2021	garden escape?	in flower 3 weeks		
Honeysuckle	<i>Lonicera periclymenum</i>														1	2021	LC native	in flower 1 week		
Hedge Bindweed	<i>Calystegia sepium</i>														15	2021	LC native	in flower 15 weeks		
Field Bindweed	<i>Convolvulus arvensis</i>														0	2021	LC native	not recorded in 2022		
Bittersweet (Woody Nightshade)	<i>Solanum dulcamara</i>														0	2021	LC native	not recorded in 2022		
Ribwort Plantain	<i>Plantago lanceolata</i>														9	2021	LC native	in flower 9 weeks		
Greater Plantain	<i>Plantago major</i>														1	2021	LC native	in flower 1 week		
Germander Speedwell	<i>Veronica chamaedrys</i>														10	2021	LC native	in flower 10 weeks		
Ivy-leaved Speedwell	<i>Veronica hederifolia</i>														0	2021	alien	not recorded in 2022		
Thyme-leaved Speedwell	<i>Veronica serpyllifolia</i>														0	2021	LC native	not recorded in 2022		
Common Figwort	<i>Scrophularia nodosa</i>														0	2021	LC native	not recorded in 2022		
Bugle	<i>Ajuga reptans</i>														6	2021	LC native	in flower 6 weeks		
Common Hemp-Nettle	<i>Galeopsis tetrahit</i>														10	2021	LC native	in flower 10 weeks		
Ground-Ivy	<i>Glechoma hederacea</i>														8	2021	LC native	in flower 8 weeks		
White Deadnettle	<i>Lamium album</i>														7	2021	alien	in flower 7 weeks		
Yellow Archangel	<i>Lamium galeobdolon</i>														23	2021	LC native	in flower 15 weeks		
Red Deadnettle	<i>Lamium purpureum</i>														6	2021	LC native	in flower 6 weeks		
Balm	<i>Melissa officinalis</i>														4	2020	garden	in flower 4 weeks		
Corn Mint	<i>Mentha arvensis</i>														6	2021	NT native	in flower 6 weeks		
Peppermint	<i>Mentha x piperita</i>														9	2021	LC native	in flower 9 weeks		
Wild Marjoram	<i>Origanum vulgare</i>														2	2021	LC native	in flower 2 weeks		
Self-heal	<i>Prunella vulgaris</i>														6	2021	LC native	in flower 6 weeks		
Betony	<i>Stachys officinalis</i>														4	2021	LC native	in flower 4 weeks		
Hedge Woundwort or Wood Woundwort	<i>Stachys sylvatica</i>														6	2021	LC native	in flower 6 weeks		
Wood Sage	<i>Teucrium scorodonia</i>														3	2021	LC native	in flower 3 weeks		
Cleavers or Goosegrass	<i>Galium aparine</i>														7	2021	LC native	in flower 7 weeks		
Woodruff	<i>Galium odoratum</i>														4	2021	LC native	in flower 4 weeks		
Marsh Bedstraw	<i>Galium palustre</i>														11	2021	LC native	in flower 11 weeks		
Greater Periwinkle	<i>Vinca major</i>														11	2021	garden escape	in flower 11 weeks		
Lesser Periwinkle	<i>Vinca minor</i>														20	2021	garden escape	in flower 16 weeks		
Borage	<i>Borago officinalis</i>														0	2021	garden escape	not recorded in 2022		
Field Forget-me-not	<i>Myosotis arvensis</i>														12	2021	alien	in flower 12 weeks		
Changing Forget-me-not	<i>Myosotis discolor</i>														6	2021	LC native	in flower 6 weeks		
Green Alkanet	<i>Pentaglottis sempervirens</i>														5	2020	garden escape	in flower 5 weeks		
Lungwort	<i>Pulmonaria officinalis</i>														6	2021	garden escape	in flower 6 weeks		
Daffodil	<i>Narcissus sp.</i>														9	2021	alien	in flower 9 weeks, no native plants present		
Glory-of-the-snow	<i>Scilla sp.</i>														10	2021	garden escape	in flower 10 weeks		
Grape Hyacinth	<i>Muscari armeniacum</i>														0	2020	garden escape	Not recorded in 2022		
Wargrave Pink (Cranesbill)	<i>Geranium x oxianum</i>														26	2021	garden escape	in flower 26 weeks		
White Forget-me-not	<i>Myosotis alpestris</i>														6	2020	garden escape	in flower 6 weeks		
Chamomile	<i>Anthemis sp.</i>														0	2021	LC native	not recorded in 2022		
<b>Grasses/Sedges</b>																				
<b>Giant Fescue</b>	<b><i>Festuca gigantea</i></b>																	native	first recorded in 2022	
Red Fescue	<i>Festuca rubra</i>															2021	native	not recorded in 2022		
Perennial Rye Grass	<i>Lolium perenne</i>															2021	native	in flower 5 weeks		
<b>Crested Dog's Tail</b>	<b><i>Cynosaurus cristatus</i></b>																	native	first recorded in 2022	
Annual Meadow	<i>Poa annua</i>															2021	native	in flower 4 weeks		
Rough Meadow	<i>Poa trivialis</i>															2021	native	not recorded in 2022		
Cock's Foot	<i>Dactylis glomerata</i>															2021	native	in flower 7 weeks		
Wood Melick	<i>Melica uniflora</i>															2021	native	in flower 8 weeks		
False Oat-grass	<i>Arrhenatherum elatius</i>															2021	native	in flower 3 weeks		
Sweet Vernal Grass	<i>Anthoxanthum odoratum</i>															2021	native	in flower 8 weeks		
Yorkshire-Fog	<i>Holcus lanatus</i>															2021	native	in flower 8 weeks		
Creeping Soft Grass	<i>Holcus mollis</i>															2021	native	not recorded in 2022		
Common Bent	<i>Agrostis capillaris</i>															2021	native	in flower 8 weeks		
Creeping Bent	<i>Agrostis stolonifera</i>															2021	native	not recorded in 2022		
Timothy	<i>Phleum pratense</i>															2021	native	not recorded in 2022		
Meadow Foxtail	<i>Alopecurus pratensis</i>															2021	native	in flower 11 weeks		
<b>Hairy (or Wood) Brome</b>	<b><i>Bromopsis ramosa</i></b>																	native	first recorded in 2022	
Grey Sedge	<i>Carex divulsa</i>															2021	native	in flower 12 weeks		
Pendulous Sedge	<i>Carex pendula</i>															2021	native	in flower 9 weeks		
Wood Sedge	<i>Carex sylvatica</i>															2021	native	in flower 8 weeks		
<b>Common (or, Black) Sedge</b>	<b><i>Carex nigra</i></b>																	native	first recorded in 2022, in flower 2 weeks	
Compact Rush	<i>Juncus conglomeratus</i>															2021	native	in flower 4 weeks		
Sharp Rush	<i>Juncus acutiflorus</i>															2021	native	not recorded in 2022		
Southern (or, Forsters) Wood	<i>Luzula forsteri</i>															2021	native	not recorded in 2022		
Field Wood Rush	<i>Luzula campestris</i>															2021	native	in flower 13 weeks		
<b>Fungi</b>																				
Orange Peel Fungus	<i>Aleuria aurantia</i>																	2021	common	edible but unpleasant taste
Fly Agaric	<i>Amanita muscaria</i>																	2021	widespread	highly toxic
<b>Bulbous Honey Fungus</b>	<b><i>Armillaria gallica</i></b>																	11-Oct	common	Manda Adolph new 2022
<b>Honey Fungus</b>	<b><i>Armillaria mellea</i></b>																	11-Oct	common	edible when cooked but not recommended (can cause gastric upset)   Manda Adolph new 2022
<b>Purple Jellydisc/drop</b>	<b><i>Ascocoryne sarcoides</i></b>																	28-Nov	common	Manda Adolph new 2022
<b>Yellow Fieldcap</b>	<b><i>Bolbitis tibubans</i></b>																	28-Nov	very common	Manda Adolph new 2022
<b>Black Bulgar</b>	<b><i>Bulgaria inquinans</i></b>																	11-Oct	fairly common	toxic, phototoxic   Manda Adolph new 2022
<b>Shaggy Inkcap</b>	<b><i>Caprinus comatus</i></b>																	2021	common	
<b>Clouded Funnel</b>	<b><i>Clitocybe nebularis</i></b>																	28-Nov	very rare	Manda Adolph new 2022
<b>The Miller</b>	<b><i>Clitopilus prunulus</i></b>																	11-Oct	common	edible   Manda Adolph new 2022
<b>Butter Cap</b>	<b><i>Collybia butyracea</i></b>																	28-Nov	very common	edible but not good   Manda Adolph new 2022
<b>Russet Toughshank</b>	<b><i>Collybia dryophila</i></b>																	11-Oct	very common	edible but not worthwhile.   Manda Adolph new 2022
<b>Oak Mazegill</b>	<b><i>Daedalea quercina</i></b>																	11-Oct	common	Manda Adolph new 2022
<b>White Brain Fungus</b>	<b><i>Exidia thuretiana</i></b>																	28-Nov	common	Manda Adolph new 2022
<b>Hoof fungus</b>	<b><i>Fomes fomentarius</i></b>																	11-Oct	common	found with Otzi, the 5k yr old ice mummy.   Manda Adolph new 2022
<b>Collared Earthstar</b>	<b><i>Geastrum triplex</i></b>																	2021	fairly common	beech preferred habitat, leaf litter
<b>White Saddle</b>	<b><i>Helvella crispa</i></b>																	2021	common	
<b>Scarlet waxcap</b>	<b><i>Hygrocybe coccinea</i></b>																	2021	declining	edible but do not pick
<b>Blackening Waxcap</b>	<b><i>Hygrocybe conica</i></b>																	11-Oct	very common	edible, bright red or orange, blacken at the point, aka Witch's Hat.   Manda Adolph new 2022
<b>Amethyst deceiver</b>	<b><i>Laccaria amethystina</i></b>																	2021	common	

SPECIES	Scientific Name	January	February	March	April	May	June	July	August	September	October	November	December	First Date	No of Weeks	Previous Years	Status	NOTES
Mild Milkcap	<i>Lactarius subdulcis</i>													11-Oct			very common	edible but easily confused with toxic species   Manda Adolph new 2022
Chicken of the Woods	<i>Laetiporus sulphureus</i>															2021	common	
Wood Blewit	<i>Lepista nuda</i>													28-Nov			very common	edible   Manda Adolph new 2022
Common Puffball	<i>Lycoperdon perlatum</i>															2021	common	
Parasol	<i>Macrolepiota procera</i>															2021	common	edible
Shaggy Parasol	<i>Macrolepiota rhacodes</i>													11-Oct			occasional	edible (may cause gastric upset). Singer syn. Chlorophyllum rhacodes   Manda Adolph new 2022
Garlic Parachute Mushroom	<i>Marasmius alliaceus</i>													11-Oct			uncommon	Manda Adolph new 2022
Leaf Parachute	<i>Marasmius epiphyllus</i>													28-Nov			Frequent	Not edible, too small.   Manda Adolph new 2022
Common Bonnet	<i>Mycena galericulata</i>													11-Oct			very common	edible but not worthwhile.   Manda Adolph new 2022
Brownedge Bonnet	<i>Mycena olivaceoarginata</i>													11-Oct			occasional	Manda Adolph new 2022
Dewdrop Mottlegill	<i>Panaeolus acuminatus</i>													28-Nov			common	Manda Adolph new 2022
Brown Rollrim	<i>Paxillus involutus</i>															2021	common	deadly poisonous
Shaggy Scalycap	<i>Pholiota squarrosa</i>													11-Oct			common	Manda Adolph new 2022
Orange Moss-cap	<i>Rickenella fibula</i>													11-Oct			very common	edible but not worthwhile   Manda Adolph new 2022
Charcoal Burner	<i>Russula cyanoxantha</i>													11-Oct			very common	edible   Manda Adolph new 2022
Hairy Curtain Crust	<i>Stereum hirsutum</i>													11-Oct			very common	not edible, found on fallen logs   Manda Adolph new 2022
Bleeding Broadleaf Crust	<i>Stereum rugosum</i>													29-Nov			very common	Manda Adolph new 2023
Stubble Rosegill	<i>Volvariella gloiocephala</i>													11-Oct			frequent	edible but easily confused with deadly species   Manda Adolph new 2022
Stag's Horn or Candlesnuff	<i>Xylaria hypoxylon</i>													28-Nov			very common	Manda Adolph new 2022
